Assessment Instructions to Students

First Year Field Seminar Course (generalist students)

Curriculum Instrument for EPAS 2022 (embedded in week 6)

This assessment is for data collection for our program. We use this data to report program outcomes to the Council on Social Work Education (CSWE), our accrediting body. It is vital that all students complete this assessment in order for our program to remain accredited. This assessment is multiple choice and should take about a half an hour to complete. If you get interrupted, you can save the assessment and come back to it, however, we suggest that you complete it in one sitting. Your responses on this assessment will be anonymous and aggregated into a group score for reporting to CSWE. Please answer each question to the best of your ability. By completing this assessment, you will receive 10 extra credit points. Your instructor will manually add the points to your grade book. The MSW Program greatly appreciates you completing this assessment for our department.

****IMPORTANT Field Assessment ****

Instructor: Set this announcement to release at the start of week 8. Delete this highlighted note before sending to students.

Dear Student,

Has your field supervisor in your practicum agency completed your field assessment yet? Our accrediting body, the Council on Social Work Education (CSWE) requires that every student be evaluated during their field practicum. Your supervisor was emailed a link in week 4 for an electronic assessment that must be completed for you. Reminder emails were also sent to them in weeks 6, and 7. Check in with your field supervisor to ensure an assessment was completed for you. If one has not been completed, remind your supervisor and let your field seminar instructor know. Your instructor will also follow-up with your agency supervisor. No student can pass the last field seminar course without a completed assessment.

On behalf of the MSW Program, thank you for your hard work to become an advanced social work practitioner!
